

THE WHITE HOUSE
WASHINGTON

July 17, 1996

The Honorable Anthony J. Melio
Member of the House of Representatives
of the Commonwealth of Pennsylvania
House Box 202020
Harrisburg, Pennsylvania 17120-2020

Dear Anthony:

Thank you very much for your kind letter.

While federal aid will help speed Bucks County's recovery, it is the courage and optimism of your citizens that will help communities rebound from the devastation of the flood. I am confident that, working together, we can help to restore hope and rebuild for a brighter future.

Hillary and I are keeping all those affected by the floods in our thoughts and prayers.

Sincerely,

Bill Clinton
